

The Foxton Centre

Homeless Service Provision

Outreach

Operates daily Monday-Friday. We offer street based intervention and support. We encourage anyone sleeping rough to engage with the outreach team who can advocate on their behalf.

Breakfast Club

We operate a drop in provision for anyone who is homeless, or is at significant risk of homelessness. The breakfast club offers a comfortable, safe space in which people can get a nutritious and affordable meal as well as talk to a worker about their current situation and support needs.

Project 360

A tenancy in a shared house with additional support available. The project offers good quality shared accommodation; the support available is to prevent eviction and help develop living skills.

No Second Night Out

Emergency provision up to 7 days for anyone who is new to the streets.

Assertive Outreach

Our dedicated team of staff and volunteers take to the streets of Preston daily Monday-Friday, to make contact with and offer support to people directly on the streets. They are often out with hot drinks, snacks and other basic provisions to support Preston's vulnerable people living on the street. We will support people directly from the street into accommodation.

Support offered directly on the street:

- Advocacy on accessing other services i.e. housing advice, welfare benefits, drug and alcohol services, GP, mental health services.
- Hot beverages, snacks, gloves, hats, scarves etc.
- One to one appointment to complete an assessment and look at accommodation options.
- A listening and non-judgemental person to talk to

If you or anyone you know is in need of support from our outreach team you can contact them on 07983026749, alternatively you can email us at sarah.armstrong@thefoxtoncentre.co.uk.
